Agency Funds

Cash Balances and Expenditures

Agency Code	Agency Name	Fund Number	Fund Title	Year End Cash Balance	Total Expenditures From Fund	Cash Balance as a % of Expenditures	Describe in detail why the agency needs to carry forward a balance greater than one-sixth (16.5% = 60 days) of the funds identified as total expenditures for the prior fiscal year
S600	Procurement Review Panel	30350000	OPERATING REVENUE	\$27,580	(\$811)	-3399.66%	Historically, expenditures from the revenue account have fluctuated. This fluctuation is the result of variability in the complexity and length of hearings. There will be some fiscal years in which appeals can be resolved via conference calls, half-day, or one day hearings; and others in which it may take three to five days to resolve appeals. Of course, the length and complexity of the cases heard determines the need to delve into our revenue account. Since the length and complexity of cases is an unknown until an actual appeal is filed, the Panel feels it is necessary to carry forward its revenue funds to ensure that there is never a short fall in our budget.
